

## STABBED AND THEN ROBBED

Burt Manheart Victim of Foot-pads on State Street.

## CUT IN THE ABDOMEN

WOUND NOT SERIOUS—NO CLUE TO ASSAILANT.

Burt Manheart, a young man about 19 years of age, was stabbed in the abdomen shortly after 8:30 o'clock last evening, behind a bill board on State street, between Third and Fourth South streets. The young man claims that the assault was evidently made for the purpose of robbery, for when he regained consciousness after the blow was struck, he was minus \$10 which he previously had in his pockets. The police have no clue to the assailant.

The wounded man was temporarily attended by Dr. Haskell C. Gurka, who happened to be in the vicinity when Manheart was found by passersby. After being removed to the police station, Dr. Gurka was called. He said that unless complications set in Manheart will recover within a few days, as his wound is not serious.

There is an air of mystery surrounding the stabbing which the police do not like. If the story of the young man is true, the affair is a most remarkable one, every circumstance being taken into consideration. As yet nothing has developed to discredit the man's story.

## Stabbed in the Back.

According to Manheart's story, he came to town early yesterday morning to cash a check for his mother. She cautioned him to return with the \$10 as quickly as possible. Manheart, however, as he says, he "walked around the streets" for some time. Shortly after 8 o'clock he started for home. He said that when he was hit he had not entered a saloon and had made no exposure of his money before any person.

While walking down State street just as he passed a large bill board south of the alley which runs past the office of the Langton time and cement works, he says some one jumped out from the darkness and struck him in the right side. He instantly lost consciousness. In that condition he was carried to a drug store on the corner of Third South and Main streets, where he was administered first aid. The police were called and sent for and the man was removed to the station, where he was placed in a cell and more thoroughly dressed his wound.

For some time past Manheart has been out of work. He has no intention to go to St. Louis, Mo., within a few days. As far as the police could learn last evening, he is a man of good habits.

## WILL BURY ALL ITS WIRES.

Utah Light & Power Company Franchise to be Extended 25 Years.

The franchise of the Utah Light & Power company is to be extended twenty-five years if the voters of the city of Salt Lake approve of the proposition. The city council has adopted at Monday night's meeting the resolution to extend the franchise for 25 years. The council also adopted a resolution to place all its wires in the paved streets of the city within the next ten years. That will necessitate the burial of about four blocks of wires each year. The matter came up last evening during the committee sessions of the council.

Before the committee of the whole convened in committee of the whole to consider the \$1,500,000 franchise of the City Street Improvement company, attorney E. M. Allison appeared for the corporation. Before rising and reporting to the committee that the franchise was approved, he referred to the board of public works with instructions to the manager to permit the franchise to be placed before that body at the meeting which will be held on Thursday, Dec. 10.

The council will not meet again until Monday afternoon at 2 o'clock, when it will continue the work of reading and amending the revised ordinances.
